DEALERS'

TRADE LIST

Fall and Spring, 1925-26

Forest and Shade Trees, Shrubs,
Evergreens, Vines and Roses

Forest Nursery Company

McMinnville, Tenn.

NOTE—We, as growers, publish this list for firms who buy and sell Nursery Stock in quantity lots. This list is not intended for the Retail Trade for we cannot sell stock at prices listed herein to individuals who buy small amounts for their own planting. Any Dealer who finds this list in the possession of any person who is not a Dealer will do us a favor by advising us.

LOCATION

McMinnville is located on Sparta branch of N. C. & St. L. Ry., 30 miles from Tullahoma, which is on main line, half way between Nashville and Chattanooga. Our nurseries are 2½ miles southeast of McMinnville. We are glad to have those interested visit our nurseries. Visitors are always welcome.

ORDERS—Write plainly and give explicit directions as to address and mode of shipment; otherwise we will forward according to our best judgment. All goods travel at purchasers risk. We assume no responsibility for the goods after delivery to the forwarding companies.

We use every care to secure prompt delivery but we are not liable for delays or damage in transit. Our responsibility in this respect ends upon delivery in good order to transportation company, but we will gladly render all the aid we can in case claim becomes necessary.

CLAIMS, to receive consideration, must be made within ten (10) days of receipt of goods.

GUARANTEE—We are very careful to keep each variety true to name as labeled, and are ready at any time to replace, on proper proof, any that may prove otherwise, free of all charge, or refund the amount paid, but it is mutually agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

TERMS—Cash with order, unless otherwise arranged. Six per cent interest charged on overdue bills. Five plants at ten rates; 50 at 100 rates.

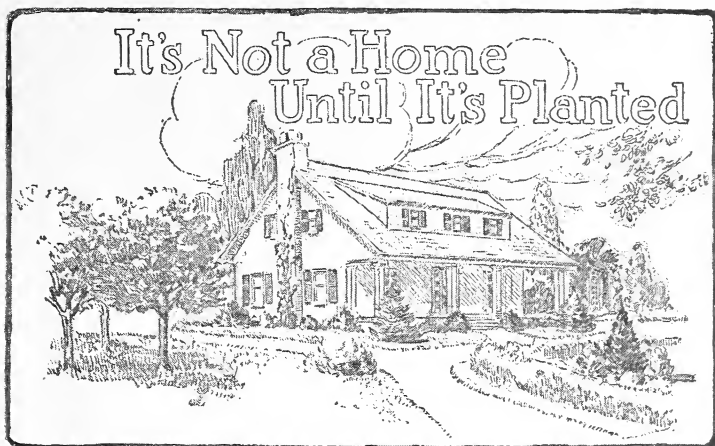

When plants are selected from nursery they will be charged for according to their worth and this list does not govern prices when thus selected.

Everything is offered subject to being unsold on receipt of order and subject to shortage or failure of crops or other causes beyond control. By placing orders buyers are considered to agree with these terms.

Certificate of inspection will be sent with each shipment.

Members of the American, Southern, Southwestern, Western and Tennessee Associations of Nurserymen.

REFERENCE—Dun or Bradstreets, Any Bank or Business House in McMinnville.

TO THE TRADE

At this time we wish to announce to the trade that our company has been incorporated with the following officers and directors: F. C. Boyd, President; R. S. Walling, Vice-President; J. R. Boyd, Secretary; D. P. Henegar, Treasurer; John L. Colville, P. N. Moffitt, John L. Willis.

There will be no change in the management or policy of the business, with the exception of improved facilities for growing a better quality of stock and more prompt handling of orders to render better service.

We are growing for next season our usual line of forest tree seedlings, ornamental shrubs, evergreens and roses. Spring planting season has been ideal and prospects for a good growing season are fine.

We had a wonderful business the past season and want to express our appreciation to each and every one of our customers for the valued orders entrusted to us and with the assurance that your trust will be merited in the future as in the past.

Thanking you for your co-operation and hoping to serve you, we are, yours very truly,

FOREST NURSERY COMPANY (Inc.).
